A-Train Marketing Hires New Office Manager

A-Train Marketing is proud to announce the addition of Nicolle Gregg as our newest team member. Nicolle comes directly from United Way of Larimer County where she was community investment associate and Pathways Past Poverty coordinator. In this role, she led volunteers to identify and strategize anti-poverty approaches, moving the initiative forward significantly. We feel that Nicolle's experience in the non-profit sector compliments A-Train's mission. A-Train is excited to include someone with an obvious commitment to our community and such strong leadership skills to our team.

“Having worked on community projects over the years with Nicolle, I am so happy to have her join our team,” says A-Train CEO/President Gretchen Gaede. “We are truly blessed to have a talented and high-spirited individual managing our office. Additionally, Nicolle's previous experience with United Way makes her a perfect cultural fit for the philanthropic and non-profit niche that A-Train is known for.”

As office manager, Nicolle will assist in the administration of the business as well as a variety of other tasks integral to our operations. Visitors and callers to A-Train Marketing will be met by Nicolle's upbeat, welcoming enthusiasm.

“My new position at A-Train feels like a perfect fit. As an individual committed to service, excellence and the health of my community, I feel right at home working for a business that strives for excellence and is focused on driving the greater good,” Nicolle says.
